To whom it may concern:

I am writing this letter of recommendation for Emily Pratt Slatin who, I understand, has been employed by your firm.

I am a 44-year veteran of the fire service, having been a 30 plus year (life) member and a former Chief Officer of the Long Beach, NY, Fire Department. After moving upstate in the early 1990's, I joined the Stamford, NY Fire Department. Eventually, I transferred to the Hobart, NY, department, where I am still a member and Captain of the Fire Police.

I have known Emily since she was a young teenager when she joined the Stamford Fire Department at 16. Later, Emily transferred to the Hobart FD in 1999.

Emily has grown and matured over the years and was very excited about her move to Long Island. She had hopes of working for a paid ambulance service, where she could contribute her talents and grow as an EMT.

Emily has been certified as a N.Y.S. EMT for almost five (5) years. She has shown herself to be calm, cool & collected when responding to ambulance calls. She is confident of her skills, knows her capabilities and limitations and is especially re-assuring to the patient(s). I have personally seen Emily work at the scene of several motor vehicle accidents and incidents involving extreme injuries and/or fatalities, where she performed in a totally professional manner.

I am sure Emily would continue to be an asset to your ambulance company.

Aside from her EMS skills, Emily has taken and passed many state certified courses, such as Interior & Exterior Firefighting and Auto Extrication. I'm sure that Emily has copies of all her certificates for your records.

If you have any questions, or require further information regarding Emily, please feel free to contact me at the above phone number.

Firematically yours,

Richard J. Doyle
